

SOAR HEARTHLAND March 25–April 3

This year at Westwood Community Church, we are sending a team of young people and leaders into the Inner-city of Winnipeg on a 10 day Missions experience. A total of 12 are going to expand our view of the world through the eyes of a new immigrant community and in the culture of the North end in general. We will be learning, growing and sleeping in a building with about 300 other young people and leaders, with a desire to know God more and to pass on His message to a people desperate to meet Him. Last year we took 4 young people and have seen maturity and change in their lives and are looking forward to this year

We invite you to join us on this journey in a few ways. Please do not hesitate to contact Myself or the team members (names to be posted soon) at the Welcome Centre.

As always I want to thank you for your continual interest and support in the work our young people are doing at Westwood Community Church and in the larger faith world.

Pastor Terry Doerksen
